

Alive Danceworks Y.E.S Showcase 2011 – June 21-26
Shows are held at Mount Royal University – Wright Theatre

Please read attached notice for your show date(s).

*Many dancers will be involved in multiple shows

IMPORTANT – dancers involved in classes that are listed in more than one show must attend all their performance times.

The teachers have carefully choreographed their numbers for all the students involved and it is important that we have a full cast of dancers each time the numbers are performed. This will apply to most dancers involved in classes ages 10 and up. Most of these classes will perform twice in one day. A matinee show then break for dinner and come back to perform in the evening performance. Dancers must be in attendance for both matinee and evening performances if they are listed in both.

VOLUNTEERS – please contact the front desk (403)246-5511 if you are willing to help backstage during one of the listed performances. We are looking for some parent volunteers to assist with hair, make-up and costumes during the performances. If you prefer to assist a specific class, please let us know when you call. Many volunteers will choose to help backstage during one of their child's performances and then watch the other and this system works great! We appreciate all of the volunteers and their assistance backstage. These shows are not possible without you ☺

***REMINDER: Parents are not allowed backstage. There will be an Alive teacher/staff member to greet you at the door of the theatre and will take your child to the dressing room where we will assist them with getting into their costume and practicing before the show. Parents may pick up their child at the theatre doors after the Performance. No students will be allowed to leave mid-show.

TICKETS

Recreational students – Have pre-paid for 2 tickets to one of their Year End Show Performances 2011. More tickets will go on sale in the Spring and will be sold on a first come first serve basis (\$15/seat). Tickets sell very quickly so if you would like more than 2 tickets, please watch for details on when tickets will be sold. We will remind you ☺

*****We will hand out your 2 tickets in the Spring when the remaining tickets go on sale but if you would like to know which show you have tickets set aside for because you are listed in more than one, please contact the desk.**

Troupe students – Have not yet paid for tickets to the Year End Shows BUT we will set aside 2 tickets for your listed show. Dancers will perform in many shows but we have set aside tickets specifically to the listed show with a * beside (see next page for show list). Tickets can be picked up and paid for in the Spring along with more tickets and/or tickets to other shows if you like. (\$15/seat)
