Volunteers at the shows – we would like a volunteer for each section of time at the theatre to be with the Peanuts and assist them with getting ready, practicing and keeping busy during down time. Please let me know if you are available to be with the Peanuts on Friday 7:00 show OR Sat 1:00 show OR Sat 6:30 show.

NOTE: There are 3 shows now. Peanuts perform in all.

Other Peanut Info...

Fundraising – We like to offer fundraising opportunities to our Troupe and Peanut dancers. They are optional activities than earn you \$ dollars towards your fees here at Alive Danceworks. What you earn individually goes right back to you. Our first one is Poinsettias. Please read thru the notice and participate if you like ☺

Spring Shows – As you know, we like to offer our Troupe and Peanut dancers a few extra performing opportunities. In the spring, the Troupe is participating in festivals and we would like to invite the peanuts too if they would like come.

What is a festival? – It is an opportunity to perform on a new stage and have the adjudicators watch and give some feedback on what they see. Every group receives a score and a medal for their participation. It is in no way a stressful competitive atmosphere for these dancers but rather another chance to dance on stage as well as see and learn from the other dancers they watch. The troupe really enjoys them so we thought the Peanuts might too ☺

Festival Fee: \$25

Festival Option – we can participate in the festival OR Not

The Festival is at EDGE School the weekend of May 13-16 and the Peanuts would perform at some point during that weekend but are encouraged to come watch as much as they like and cheer on the other troupe dancers ☺

Please Let Miss Jenn know if you are a YES or a NO for participating.

Cinderella Hair and Make-up

Make-Up - will be the same as previous shows including:
Brown eye shadow, Blk eye liner, Blk Mascara, Blush, Red Lipstick

Hair - parted in the middle, half up piggy tails....

Half the hair will be left down and the other half put into pig tails with a part down the centre. Please feel free to practice this hair for class each week. There is a head-piece to the costume that will secure to the hair-do so we need to make sure that it is tidy and clean ☺ The hair left down can be left straight but curl the ends please.
